

10. Friend Or Foe

Verse 1

Feel energetic heal quick
Basically memory
Freed oeh you
How? now
Learn boy destroy
Weak shit habits which
Block lock
Growth unload
The crap that
Drains battery technically
Any person that's a burden
Family for me couldn't be free made them see
I'm big now bow!
Therapy grew
Converse better bad weather
Strong coat battle mode
Can't keep everybody Happy homie
Live for you find a crew
To build Will
Lift you up charging plug rising out the mud
Pain gained
Blood will dry would you try If I
Say hey
look at me closely debris
Held me down felt a clown
Unworthy second fury
Wealthy is a mind free
Of distraction weapon
To carve a way may
You do
Take time find
Snakes way out the maze
Stay focused gaze Tell Real from fakes

Chorus:

Friend or foe friend or foe
Who are you? friend or foe
Friend or foe what you do?
Friend or foe friend or foe
Look in my eyes Friend or foe
Friend or foe choose wise
No lies Friend or foe
Friend or foe

Verse 2

I behave bad? No Hey take it slow
Conclusion (conclusin) to quick losing grip
Feel bad that
IQ goes to waste do you taste
Envy? honey
I don't care where
We go Know
Know Who Bad mouth me be
Aware there
Is no going back in fact
No apology though baby
Key changed remains
In pocket get
Clear view Who
Rise ties
Strong Step wrong?
Vinito so slow to go
Expand friends
Brothers true colors
Came to light shame tried
To trust must
Clean house
Look in my eyes don't try lies bad vibes?
Smell em miles away foul play?
Smart hard
To fool rule
My mind grind
Dreams You on my team?
Got my back ammo stacked?
Scope steady? Be ready
Good to know Land heavy blows
(laugh) How that that chorus go?

Chorus:

Friend or foe friend or foe
Who are you? friend or foe
Friend or foe what you do?
Friend or foe friend or foe
Look in my eyes Friend or foe
Friend or foe choose wise
No lies Friend or foe
Friend or foe

Verse 3

Personality switch gave a hitch
Shock mocking meaning
Resistance (resistance) distance (destiny)
Growing begin
To understand Can't
Keep all by my side choice I made right
Vocally strong long
Zipped hid
Opinion million
Thoughts brought
Insane pain
Potential was there where
Do I start open heart
Therapy free
Anger grief leave
Past behind find
A target To hit
Converse better words
Groceries conquer g
Mindset climate
Rain to sun ain't fun has to be done
To be me easy
No though
Evolving climbing
High bye
To some become
Who I want to be no agony no victory
Fine line
Friends close on my toes
Who are you do
Let me know so Friend or foe?

Chorus:

Friend or foe friend or foe
Who are you? friend or foe
Friend or foe what you do?
Friend or foe friend or foe
Look in my eyes Friend or foe
Friend or foe choose wise
No lies Friend or foe
Friend or foe

Subjects:

I like the person I'm becoming
Bad behavior no... New that's all
Couldn't care less if you dislike
You wanna play hard? Fine, don't apologize later.
Cleaning house, who's side you on?
For you a thousand different people
