### 11. When You Goin Work?

### Verse 1

Keep getting questions From all directions Gonna work increase worth? Gets me moody truly shoot me Are you blind? path hard to find Government pays my bills must say I'm trilled Not! spot Sucks Thus Hiphop my outlet Explain why yet I don't have Nine to five I work crawl through dirt Money compensated Check gone faded Full time no option Cause of care I need where that leads? Do what I like rip the mic Makes me whole See results Better each track Paper lacks? True! Do Measure pleasure stature Increased Dam what a speech! I'm going to be showing Spell it out zip your mouth These lyrics I write this here might Explain use that brain Could it be Kidding me? actually Well guessed yes! Got spot On what's wrong My work is this song

# Chorus:

Dude I'm just making music Can't you the shoe fits? When you going work? Cut the crap need none of that When you going work? shut up I know my worth Smile when they say no time to play When you going work? Out of my way Writing till the day I die answer if you ever wonder why Verse 2

Oh that's easy No believe me It's irritating making Right choice? stupid voice In my head satisfied yet? Hear me out education route Doesn't fit man yeah it can Benefit a kid That likes a box I remove the locks Trial and error greatest mentor Steep hill will I win? asking Tough questions (questins) Making Hard to answer a matter Of view green never main Thing to gain a name in the game Is enough bluff? Confidence difference Hard to spot talent I got Stubborn turned People off Love To those suppose Stay and go no It's not I don't listen got my vision To chase mistakes Happen (happin) testing Ceiling meaning Focus on the craft this the only fact Passion smashing Give all I have sorry Can't help but laugh

# Chorus:

Dude I'm just making music Can't you the shoe fits? When you going work? Cut the crap need none of that When you going work? shut up I know my worth Smile when they say no time to play When you going work? Out of my way Writing till the day I die answer if you ever wonder why Verse 3

Yo clear as day Big Thoughts is here to stay By the way hear people say hey! Spit faster whack ass rapper for that matter Tune your ears will hear This trappy beat give me at least Props for trying binding New with classic lit tactic Keep image high If I Change what remains? Tears in eyes New wave Ehw bad taste Unless class Is maintained need names? Ok it Is basic Just search artists saying words making it worse? So sorry Moral of the story Mean stupid guy wants try Sounding cool fool Whatever I'm clever Try to appeal Spit tight real Bars for the mind rarity to find declined by the industry luckily did kids a favor so uh diss me later look!? Chorus with new wave flavor

# Chorus:

Dude I'm just making music Can't you the shoe fits? When you going work? Cut the crap need none of that When you going work? shut up I know my worth Smile when they say no time to play When you going work? Out of my way Writing till the day I die answer if you ever wonder why
